Subject: Price Change

Due to continued rising raw material costs, we find it necessary to raise prices on our product lines. Prices will be increased approximately 8% on our Pipe Support Hardware and 15% on our Multi-Strut products. The new prices will be effective May 24, 2010.

New price lists will be available from your Carpenter & Paterson sales representative or from the Carpenter & Paterson website, www.carpenterandpaterson.com, within the next 30 days.

If you have any questions concerning the price change, please contact your sales representative or nearest Carpenter & Paterson office.

Thank you for your past business and we look forward to your continued support.

Sincerely,

James Gouthro
